Consultation now closed, final report published Equality and disability action plans 2023-2028

The Public Health Agency has developed new draft Equality and Disability Action Plans for 2023-28.

The Equality Action Plan looks at actions we want to take to tackle inequalities across all equality categories. The purpose of our Disability Action Plan is to look at things we want to do to promote positive attitudes towards disabled people and encourage their participation in our work areas.

We are consulting on our new Equality and Disability Action Plans. If you would like further information and share your views please get in touch with us.
