Please note messages are not monitored outside business hours, 9am-5pm Monday to Friday. The Public Health Agency is the major regional organisation for health protection and health and social wellbeing improvement in Northern Ireland. If you do not live in Northern Ireland, please direct your query to the relevant organisation in your region.

You can contact us in various ways as detailed below. Alternatively, use our online form.

We receive a lot of messages and therefore we aren't always able to respond to each of them. Please note that we cannot provide individual medical advice. If your enquiry is about COVID-19 coronavirus, please visit www.pha.site/coronavirus.
