Young People the Best
Start in Life**

**The Draft Programme for
Government Delivery
Plan**

Programme for Government Framework

THIS FRAMEWORK REMAINS SUBJECT TO POLITICAL AGREEMENT

Programme for Government Framework

Our purpose: Improving wellbeing for all – by tackling disadvantage and driving economic growth

OUTCOMES	INDICATORS
<p>We prosper through a STRONG, COMPETITIVE regionally balanced economy</p> 	<ul style="list-style-type: none"> Private sector NI Composite Economic Index External sales Rate of Innovation activity Employment rate by council area % change in energy security of supply margin
<p>We live and work sustainably - protecting the environment</p> 	<ul style="list-style-type: none"> % all journeys which are made by walking/cycling/public transport Greenhouse gas emissions % household waste that is reused, recycled or composted Annual mean nitrogen dioxide concentration at monitored urban roadside locations Levels of soluble reactive phosphorus in our rivers and levels of Dissolved Inorganic Nitrogen in our marine waters Biodiversity (% of protected area under favourable management)
<p>We have a MORE EQUAL SOCIETY</p> 	<ul style="list-style-type: none"> Gap between highest and lowest deprivation quintile in healthy life expectancy at birth Gap between % non-FSME school leavers and % FSME school leavers achieving at Level 2 or above including English & Maths % population living in absolute and relative poverty Employment rate of 16-64 year olds by deprivation quintile Economic inactivity rate excluding students Employment rate by council area
<p>We enjoy long, healthy, active lives</p> 	<ul style="list-style-type: none"> Healthy life expectancy at birth Preventable mortality % population with GHQ12 scores >=4 (signifying possible mental health problem) Satisfaction with health and social care Gap between highest and lowest deprivation quintile in healthy life expectancy at birth Confidence of the population aged 60 years or older (as measured by self-efficacy)
<p>We are an INNOVATIVE, CREATIVE, SOCIETY, where people can fulfil their potential</p> 	<ul style="list-style-type: none"> Rate of Innovation activity Proportion of premises with access to broadband services at speeds at or above 30Mbps % engaging in arts/cultural activities Confidence (as measured by self-efficacy) % school leavers achieving at least level 2 or above including English and Maths
<p>We have more people working in better jobs</p> 	<ul style="list-style-type: none"> Economic inactivity rate excluding students Proportion of the workforce in employment qualified to level 1 and above, level 2 and above, level 3 and above, and level 4 and above Seasonally adjusted employment rate (16-64) A Better jobs index % people working part time who would like to work more hours Employment rate by council area Proportion of local graduates from local institutions in professional or management occupations or in further study six months after graduation

THIS FRAMEWORK REMAINS SUBJECT TO POLITICAL AGREEMENT

Programme for Government Framework

Our purpose: Improving wellbeing for all – by tackling disadvantage and driving economic growth

OUTCOMES	INDICATORS
<p>We have a SAFE COMMUNITY where we respect the law, and each other</p> 	<ul style="list-style-type: none"> Prevalence rate (% of the population who were victims of any NI Crime Survey crime) A Respect Index % the population who believe their cultural identity is respected by society Average time taken to complete criminal cases Reoffending rate
<p>WE CARE FOR OTHERS AND WE HELP THOSE IN NEED</p> 	<ul style="list-style-type: none"> % population with GHQ12 scores >=4 (signifying possible mental health problem) Number of adults receiving social care services at home or self directed support for social care as a % of the total number of adults needing care % population living in absolute and relative poverty Average life satisfaction score of people with disabilities Number of households in housing stress Confidence of the population aged 60 years or older (as measured by self-efficacy)
<p>We are a shared, welcoming and confident society that respects diversity</p> 	<ul style="list-style-type: none"> A Respect Index % who think all leisure centres, parks, libraries and shopping centres in their areas are "shared and open" to both Protestants and Catholics % of the population who believe their cultural identity is respected by society Average life satisfaction score of people with disabilities Confidence (as measured by self-efficacy)
<p>We have created a place where people want to live & work, to visit and invest</p> 	<ul style="list-style-type: none"> Prevalence rate (% of the population who were victims of any NI Crime Survey crime) Total spend by external visitors % of the population who believe their cultural identity is respected by society Nation Brands Index A Better jobs Index
<p>We connect people and opportunities through our infrastructure</p> 	<ul style="list-style-type: none"> Average journey time on key economic corridors Proportion of premises with access to broadband services at speeds at or above 30Mbps Usage of online channels to access public services % of all journeys which are made by walking/cycling/public transport Overall Performance Assessment (NI World) Gap between the number of houses we need, and the number of houses we have
<p>We give our children and young people the BEST START IN LIFE</p> 	<ul style="list-style-type: none"> % babies born at low birth weight % children at appropriate stage of development in their immediate pre-school year % schools found to be good or better Gap between % non-FSME school leavers and % FSME school leavers achieving at Level 2 or above including English and Maths % school leavers achieving at Level 2 or above including English and Maths % care leavers who, aged 19, were in education, training or employment

These Outcomes will be delivered through collaborative working across the Executive and beyond government and through the provision of high quality public services.

We give our children and young people the best start in life

- % babies born at low birth weight
- % children at appropriate stage of development in their immediate pre-school year
- % schools found to be good or better
- Gap between % non-FSME school leavers and % FSME school leavers achieving at Level 2 or above including English and Maths
- % school leavers achieving at Level 2 or above including English and Maths
- % care leavers who, aged 19, were in education, training or employment

OUTCOMES DELIVERY PLAN

2018-19

Improving wellbeing for all -
by tackling disadvantage
and driving economic growth

Outcome 12 – Indicators

← Outcome 12: We give our children and young people the best start in life

Data Development Agenda

% children at appropriate stage of development in their immediate pre-school year

Data have been developed and are due to be tested and assessed by the Technical Assessment Panel

Key

- ▲ Positive change
- ▼ Negative change
- ◄ No change
- No data beyond baseline year

Evidence Based Interventions

- Solihull
- Incredible Years
- Roots of Empathy
- Family Nurse Partnership
- Getting Ready for Baby
- Getting Ready to Learn

Structural Support

- Family Support Hubs
- Early Intervention Support Service
- Child Development Intervention Co-ordinators
- Integrated 3 year review
- Early Intervention Transformation Programme
- SBNI Trauma Informed Practice

Infant Mental Health in Northern Ireland: Key Statistics

23,075

**No. of Births
in NI
(NISRA, 2018)**

Child Population

23,686 Age <1

99,315 Age 1-4

No. of Births to Teenage mothers (NISRA 2018)

692 under 20 years old

56 under 17

Premature or Low Birth Weight

5.9%

(<2500g)
(NISRA, PFG Statistics, 2018)

Postnatal depression

'Of 25,273 births in 2011 in Northern Ireland, 2527 women developed antenatal depression, 3790 women developed postnatal depression, 50 mothers developed puerperal psychosis and 50 were admitted as a result of relapsing' (DHSSPS, 2013)

It should be noted that Postnatal depression often goes unreported and therefore the figure could be much higher than this (Royal College of Psychiatrists, 2011)

National Children's Bureau

Child Protection Register

2,082 Total (HSCB 2018) (decreased by 2% since previous year)

11% of these are under 1, and 27% aged 1-4.

Children Looked After in Care

3109 (HSCB, 2018) (increased by 4% since previous year)

79% in foster care, 12% with parents, 5% residential care, 4% other placements.

Smoking during pregnancy

Overall

13.4%

but ranging from **23.98%** to **9.44%** across the region (NINIS stats, 2016)

Breastfeeding rate at discharge

Overall - **36.3%** totally breastfed, **11.1%** partially breastfed at discharge. (Public Health Agency, 2018)

Most deprived area: **29.7%**

Least deprived area: **62.2%**

Mothers under 20: **18%**

National Children's Bureau

Child poverty

78,000

children (18%)

living in poverty

(Dept. for Communities, 2018)

Breastfeeding at 6 months

(PHA, 2018)

9.3%

of babies receiving some breastmilk,
7.1% receiving breastmilk exclusively.
