

**I have difficulties eating,  
drinking or swallowing and might be  
at greater risk of choking.**

---

This wallet card was produced for people who have difficulties eating, drinking or swallowing to show when eating out in cafes, restaurants or bars. It shows staff that you may need extra support and they can follow the QR code to [more information](#). You can ask for a free card from your Speech and Language Therapist or by contacting [dysphagiani@hscni.net](mailto:dysphagiani@hscni.net)
