

Breast Screening

The Northern Ireland Breast Screening Programme invites all women aged 50–70 every three years.

If you're over 70, you're still at risk of breast cancer and can make your own appointment through your local screening centre.

Information to help you make an informed choice is available at www.nidirect.gov.uk/breast-screening or talk to your GP.

Public Health Agency

12–22 Linenhall Street, Belfast BT2 8BS. Tel: 0300 555 0114 (local rate).
