

FUNDING PROGRAMMES 2010/11

The Public Health Agency (PHA) wishes to announce that a small grant funding programme is available to support voluntary, community and statutory organisations in developing and providing initiatives aimed at improving health and well being and which address activities set out in the priorities and Action Plans of the four local Drugs & Alcohol Co-ordination Teams (DACT).

Eastern Drugs and Alcohol Co-ordination Team
Northern Drugs and Alcohol Co-ordination Team
Western Drugs and Alcohol Co-ordination Team
Southern Drugs and Alcohol Co-ordination Team

The PHA will only consider applications from statutory organisations if they are in partnership with voluntary or community organisations.

Proposals must:

- Demonstrate local community involvement;
- Address outcomes locally as identified within the respective DACT Action Plans 2009/11 and/or regional "Addressing Young People's Drinking in Northern Ireland Action Plan"

The PHA would in addition welcome proposals that;

- Target the top 25% most disadvantaged ward areas in each of the DACT areas;

Proposals are up to a maximum value of £5,000 (Minimum amount £500)

Further information, application forms and guidance notes which advise those wishing to apply for funding of the relevant criteria and conditions are available from the relevant PHA/DACT office below.

Local workshops will also be held for potential applicants to advise and explain the application process. To register and/or gain further details on the workshop(s) please again contact the relevant PHA/DACT office below.
