

The Health and Social Care Board and the Public Health Agency have today launched, for public consultation, a new *Community Development Strategy*. The consultation period will run for 12 weeks from Friday 10 June until Friday 2 September 2011.

The draft Community Development Strategy, as well as information on how you can respond, can be found at www.publichealth.hscni.net/news/consultation-launched-community-development-strategy-your-views-matter
