

Weigh to Men's Health Workshop  
Wednesday 8th June 2011  
Stormont Hotel, Belfast  
10am-2pm

The All-Island Obesity Action Forum's workshop Weigh to Men's Health is supported this year by safefood and the Ulster Cancer Foundation. The event aims to highlight that excess weight is a male health issue which needs to be recognised.

Presentations will look at best practice in how to target men and will provide details of relevant projects on the island of Ireland and further afield.

If you are interested in attending the workshop you can [register online for this event](#).
