

Wednesday 15th June 2011

Fern House at Antrim Area Hospital.

2pm

The workshop, organised by the R&D sub-committee of the Central Nursing Advisory Committee, is aimed at nurses who work in clinical trials.

The event will discuss if there is a need for the development of additional support for a range of areas including clinical supervision, professional development and research governance. Recent focus group work carried out by members of a Task & Finish Group of the Central Nursing Advisory Committee Research & Development sub group (CNAC R&D) in this area will be presented at the workshop.
