

Belfast Healthy Cities and Belfast City Council have worked jointly with Belfast Health and Social Care Trust, Northern Ireland Housing Executive, Public Health Agency and the five Belfast Area Partnerships on the **Good for Regeneration, Good for Health, Good for Belfast indicator set**, which has been developed to help ensure regeneration projects generate benefits for all population groups and all local communities.

The launch of the indicator set, takes place on:

**Date: Tuesday 20 December 2011**

**Time: 1-2.15pm (Registration and Refreshments 12.30pm)**

**Venue: Reception room, Belfast City Hall  
(Please enter via May Street entrance)**

The event will feature an overview of the indicators, the development process and also the findings from an initial pilot.

To register please contact Maura Ahern at Belfast Healthy Cities office
