

Call for Abstracts for parallel sessions at the Public Health Annual Scientific Conference at Mossley Mill, Newtownabbey on 14 June 2012

The Public Health Agency and Partners will be hosting the first Public Health Annual Scientific Conference. The theme of the conference will be Children and Young People and it will focus on how public health innovations, research and practice are meeting the needs of children and young people.

Presenters are invited to submit an abstract describing a current or recently completed evidence-based public health initiative/intervention/innovation and/or high quality research study in Northern Ireland relevant to the conference theme.

Please note the closing date for submission of abstracts using the proforma is 4pm on Tuesday 31 January 2012

Further information on the topic areas for the parallel sessions and guidelines on submitting an abstract can be downloaded from the [events calendar](#)
