

Talk Cancer is ideal for anyone who has a remit for promoting the health and well-being of people in their community including; public health teams, nurses, pharmacy staff, volunteers and many more. The workshops equip and empower community-based workers with the knowledge, skills and confidence to have conversations about cancer with people in their local area. Please visit [cruk.org/talkcancer](http://cruk.org/talkcancer) for more information.

Venue: Room 3, Community Learning Centre, Springvale Campus, 398 Springfield Road, Belfast, BT12 7DU.

Date: 17th October 2013

Time: 09:15 - 16:00

Type of training: Talk Cancer, cancer awareness training.

Cost: £100 per person.
