[HSC Research and Development www.research.hscni.net](http://www.research.hscni.net)

This publication, the 13th issue of R&D Today - the biannual newsletter of the Health and Social Care Research and Development Division (HC R&D) - profiles the work supported by Northern Ireland's Health and Social Care R&D fund. This issue reflects the position of HSC R&D as a division of the regional Public Health Agency.
