

PHA Corporate business plan 2011-2012

The PHA Corporate Business Plan 2011-2012 is based on the four core goals and the common themes from the Corporate Strategy 2011-2015 and sets out a corporate picture of how the goals will be taken forward in year one (2011-2012) in line with existing AMT and board direction.

All Directorates were involved in developing the Corporate Business Plan and it reflects the content of each of the Directorate business plans. It identifies a number of measurable indicators taken from the DHSSPS Commissioning Directions 2011-2012, as well as from each of the Directorate business plans.

The Corporate Business Plan was approved by AMT on 1 November and by the PHA board on 17 November. Quarterly monitoring reports on progress against the indicators will be brought to the PHA board.
