[Health and Social Wellbeing Improvement](#)

What we eat every day has a big impact on our health – from the amount of energy we have when we get up in the morning to our risk of developing conditions like heart disease and cancer in the future. A healthy diet doesn't have to be boring or restrictive – we can still eat a wide range of delicious foods, while keeping an eye on our intake of sugar, fat and salt. This has been updated in accordance with the *Eatwell Guide*.
