Commissioning Plan 2013/14

This *Commissioning Plan* describes the actions that will be taken across health and social care during 2013/14 to ensure continued improvement in the health and wellbeing of the people of Northern Ireland.

The plan, developed in partnership by the Health and Social Care Board and the Public Health Agency, responds to the Commissioning Plan Direction published by the Minister for Health, Social Services and Public Safety on the 28 of January 2013. In doing so, it outlines a range of actions that have been developed in partnership with patients and the public which are driven by need, clear goals and budgetary transparency.
