

IMPORTANT HEALTH INFORMATION

I have no functioning spleen

I am susceptible to overwhelming infection, particularly pneumonia, septicaemia (blood poisoning) and meningitis. Please show this card to the nurse or doctor if I am taken ill.

Always carry this card with you

Splenectomy wallet card

This wallet card is for patients who have no functioning spleen to carry with them. It allows the patient to record their personal details and immunisations and is a quick pointer to healthcare staff if the patient is taken ill. It is available from GPs.
