

What is hepatitis? (easy read)

This is an easy read booklet designed to explain hepatitis B and C risk factors, symptoms, treatment and prevention. produced by CHANGE.

CHANGE is a pioneer of easy read leaflets and they have been making information accessible for more than 20 years. They make information accessible so other people with learning disabilities can make informed choices about issues that affect their lives.

CHANGE's Accessible Information Team is made up of a group of designers and illustrators working alongside experts with learning disabilities. They make easy read documents, books, videos and animations.
