

Thank you, Allied Health Professions!

Michelle Tennyson, PHA Assistant Director, Allied Health Professions and Public Involvement

Understanding COVID-19 and ethnicity

Dr Claire Neil and Maurice Meehan - Public Health Agency

Understanding case definitions and COVID-19

As the COVID-19 pandemic continues to evolve, we have been able to develop a greater understanding of the infection as a result of having more data generated by the rapid introduction of disease specific surveillance programmes.

Student Mental Health during COVID-19

The full impact on students' mental health as a result of the Covid-19 pandemic has yet to be assessed.

Smoking and COVID-19

What we know about the association of smoking with the COVID-19 virus, and how we in the PHA can support smoking cessation during the pandemic

Back to school

Duane Farrell, CEO, Relate NI and Danny Sinclair, PHA

[Incidence vs prevalence and the epidemiologist's bathtub](#)

Sarah Arnold, Senior Surveillance and Information Scientist in Health Protection, Dr Lynsey Patterson, Head of Health Protection Surveillance, and Dr Claire Neill, Specialty Registrar, Public Health Agency.

[Happier homes handling challenging times](#)

Danny Sinclair, PHA discusses relationships, household conflict and helpful strategies with Elaine Hoey, Clinical Lead at Relate NI.

'When will all this be over?' Healthy and honest conversations with children

Danny Sinclair, PHA, explores with Elaine Hoey, Clinical Lead at Relate NI, how parents can approach challenging COVID-19 conversations.

Weight and COVID-19

The PHA's Dr Claire Neill and Danny Sinclair discuss what the evidence says about the association between excess weight and COVID-19
