Disabilities**  
November 2018

Following the introduction of Guidelines and Audit Implementation Network's (GAIN) guidelines, the PHA developed the Regional Hospital Passport for Individuals with Learning Disabilities (RHPLD). The RHPLD provides information that will help hospital staff to make reasonable adjustments to provide safe and effective care.

Evaluation of the RHPLD has included interviews regarding distribution processes and experiences of using the RHPLD, surveys regarding awareness of the RHPLD among the C&V sector, and desktop analysis of downloads of the RHPLD and guidance notes from the PHA website.
