

**Sexually Transmitted Infection
Surveillance in Northern Ireland 2019**
An analysis of data for the calendar year 2018

Sexually Transmitted Infection Surveillance in Northern Ireland 2019 An analysis of data for the calendar year 2018

This report aims to provide an overview of STI epidemiology in Northern Ireland by collating and analysing information from a number of sources. Although it reflects epidemiological trends over time, its main focus will be on data collected in 2018.
