

Friday, 29 May 2020

	<p>Coronavirus is a new illness spreading across the world.</p> <p>It is a bit like flu but can be more serious for some people.</p>
	<p>If you have a</p> <ul style="list-style-type: none"><li>• fever and/or</li><li>• cough</li><li>• loss of smell or taste</li></ul> <p>everyone in your household must stay at home for at least 10 days. Do this even if it is mild.</p>
	<p>Do not go to the GP, hospital or pharmacy.</p> <p>Do not have close contact with older people and people with existing health conditions.</p>
	<p>Call NHS 111 for advice</p>

**Please note the advice on self-isolation for some close contacts has changed since publication date. Please see [here](#) for more information.**

This booklet explains the latest government advice on coronavirus in an easy read format.
