## Health and Social Wellbeing Improvement

**Safer shopping during COVID-19**

If you have:

- a new continuous cough
- a high temperature
- a loss of or change in sense of smell or taste

you must **stay at home** and arrange a test. Visit [pha.site/cvtesting](http://pha.site/cvtesting) or call 119 if you can't get online.

Ask a friend or neighbour to get some essentials for you and leave them at the door for you to collect.

**Remember:**

- 1 Before shopping**  
Wash your hands for 20 seconds
- 2 While shopping**
  - wear a face covering and avoid touching it/your face
  - if sanitiser is available, wipe handles on trolley/basket before and after use
  - stay 2m (6ft) apart from the next person
  - use a contactless payment card if possible
- 3 After shopping**  
Wash your hands for 20 seconds

**WE ALL MUST DO IT TO GET THROUGH IT** STAY SAFE SAVE LIVES

#StaySafe

This poster is for retailers to print off and display for their customers in order to help prevent the virus spreading while shopping. The poster has been updated to include face coverings. These posters have been translated into 12 languages available to download below. Other languages may be available upon request by [contacting us](#).

If you need information in a language that is not yet available here, you can use the Browsealoud facility on this website. This option can translate and/or read aloud over 90 other languages. The full list of languages [available is here](#) and instructions for how to use the Browsealoud option are available to [download here](#).

An accompanying video is also available here: [www.vimeo.com/413962767](http://www.vimeo.com/413962767)
