# Coronavirus

## Isolate your household Stay at home

If you or anyone in your household has a high temperature, a new and continuous cough or a loss of or change in sense of smell or taste, even if it's mild

- ✔ Everyone in your house must stay at home\*
- ✘ **DO NOT** go to your GP, hospital or pharmacy.
- ✔ You can ring **NHS 111** for information or advice and they will help you decide if you need to contact your GP.  
Calling your GP is only necessary if you have:
  - an existing health condition
  - problems with your immune system
  - very serious symptoms
- ✔ **Protect** older people and those with existing health conditions by avoiding contact.

\*Find out how to isolate at home at [www.pha.site/coronavirus](http://www.pha.site/coronavirus)  
If it is a medical emergency and you need to call an ambulance, dial 999 and inform the operator of your symptoms.

**CORONAVIRUS**  
**PROTECT YOURSELF OTHERS & THE NHS**

18/05/2020

This poster includes advice on COVID-19. For up to date advice see [www.pha.site/coronavirus](http://www.pha.site/coronavirus)

This poster been translated into 11 languages but please note that these translations are based on an earlier version which has since been amended to include 'loss of or change in taste or smell'.

If you need information in a language that is not yet available here, you can use the Browsealoud facility on this website. This option can translate and/or read aloud over 90 other languages. The full list of languages [available is here](#) and instructions for how to use the Browsealoud option are available to [download here](#). Other languages may be available upon request by [contacting us](#).
