Coronavirus (COVID-19) vaccines have been approved for use in the UK and are available in Northern Ireland.

The vaccines have met strict standards of safety, quality and effectiveness set out by the independent Medicines and Healthcare products Regulatory Agency (MHRA).

While vaccination may help protect you from coronavirus, it's still important to follow social distancing guidance and other restrictions to keep each other safe.

Information materials on the COVID-19 Vaccination Programme are available for download [here](#).
