[Health Protection](#)

You will receive a copy of this leaflet after you have had your first vaccine. It contains information on the vaccine, potential side effects and what to do next.

This leaflet is also available in [Large print format](#). An accessible Word document is available below.

Additional information

Plain text translations of this leaflet are available to download below. If you need this information in a language that is not available here, you can use the Browsealoud facility on this website. This tool can translate and/or read aloud over 90 other languages. The full list of languages [available is here](#) and instructions for how to use the Browsealoud option are available to [download here](#).
