What to expect after your

**COVID-19**

**vaccination**

Information for people  
who have just had a  
COVID-19 vaccination

Find out more at [www.nidirect.gov.uk/covid-vaccine](http://www.nidirect.gov.uk/covid-vaccine)

This leaflet contains information for people who have just had a COVID-19 vaccination, either first dose, second or booster dose. It contains information on the vaccine, potential side effects and what to do next.

Please note, some alternative formats available below are based on a previous version of this leaflet. The most recent version includes information on reports of a possible rare side effect of heart inflammation and what to look out for.

A large print accessible version of this leaflet is available below as a Word document.

*COVID-19 vaccination – A guide for adults* BSL and ISL videos produced by the BDA are available and include information on what to expect after vaccination. Please note, these are based on a previous version of this leaflet. The most recent version includes information on reports of a possible rare side effect of heart inflammation and what to look out for.
