# COVID-19 vaccination - A guide for children and young people and translations

This updated leaflet explains all about the COVID-19 vaccination programme for children and young people. The original version was issued in an information pack to school children who were invited to receive a vaccine in schools. For anyone who has missed their vaccine or is due a second dose they can receive this at one of the Trust vaccination sites, for details please see [www.nidirect.gov.uk/covid-vaccine](https://www.nidirect.gov.uk/covid-vaccine)

A large print accessible version of the leaflet is available below as a Word document.

Translations of this leaflet are available to download below (please note the Irish translation is of a previous version and will be updated shortly).

Signed videos of this information in BSL and ISL and are available to download below. The leaflets have been amended since the videos were produced to say that all young people aged 12 to 17 will be offered a second dose of vaccine, 12 weeks after the first. The changes are at the following timecodes:

BSL: 01:45-01:58 and 12:15-12:23

ISL: 01:31-01:40 and 09:44-09:59
