

# What to expect after your child's COVID-19 vaccination (5-11s)

This information leaflet for parents of 5 to 11 year olds will be issued after their child has received their COVID-19 vaccine. It explains about the vaccine, potential side effects and what to do next.

A large print accessible version is available below as a Word document and there are 17 translations available to download below.

British and Irish sign language versions of the leaflet are available here;
