[Health and Social Wellbeing Improvement](#)

Following the implementation of the Harm Reduction Information System for Northern Ireland, Neo360 in December 2022 PHA publishes quarterly activity reports on harm reduction services.

The quarterly reports summarise the regional NSES and THN activity alongside anonymous, non-identifiable client data across Northern Ireland.

Access [Harm Reduction Services for people who inject drugs](#) previously called Needle and Syringe Exchange Service (NSES) and Take Home Naloxone (THN) page for more information.
