[Health Protection](#)

The poster features the HSC Public Health Agency logo in the top left corner. The main headline, 'Protect your baby in their first few months', is written in large, bold, blue and yellow text. Below this, a photograph shows a row of pregnant women sitting on a bench, with yellow curved lines highlighting their bellies. To the left of the photo, two bullet points are listed: 'Check **today** if you can get your pertussis (whooping cough) and RSV vaccines' and 'Speak to your midwife or nurse now'. At the bottom left is a small image of a smartphone displaying a calendar. To its right, text reads 'For further information scan the QR code or visit www.pha.site/antenatal-schedule'. A QR code is positioned to the right of this text. At the very bottom, small text provides the agency's address, phone number, and website.

HSC Public Health Agency

Protect your baby in their first few months

- Check **today** if you can get your pertussis (whooping cough) and RSV vaccines
- Speak to your midwife or nurse now

For further information scan the QR code or visit www.pha.site/antenatal-schedule

Public Health Agency, 12-22 Linerhall street, Belfast BT2 8BS. Tel: 0300 555 0114 (local rate). www.publichealth.hscni.net

This poster encourages pregnant women to get their vaccines against whooping cough (pertussis) and RSV (respiratory syncytial virus) to help protect their baby in the first few months.
