

**Your guide to the free  
RSV vaccine for residents living  
in a care home for older adults**

How to protect yourself by having the Respiratory  
Syncytial Virus (RSV) vaccine

# **Your guide to the RSV vaccine for residents living in a care home for older adults**

This leaflet is for people living in a care home for older adults who will be offered the RSV vaccine to protect them against Respiratory Syncytial Virus, an infectious disease of the lungs and airways that can be serious for older adults.

The leaflet describes the vaccine and how you can get it, outlines any potential side effects and answers common questions about the vaccine.
