RSV can cause pneumonia

Having your RSV vaccine will help protect you

You are eligible for your free RSV vaccination if you:

- are aged 75 years or older
- are an adult of any age living in a care home for older adults

For information on how to get your RSV vaccine, scan the QR code or follow the link to read the leaflet: pha.site/RSV-adults
If you have further questions, speak to your practice nurse, GP or vaccination team or visit pha.site/ndirect-RSV
