

Skin cancer prevention programme grant

Last reviewed
18 May 2026

The Public Health Agency (PHA) wishes to invite proposals for the delivery of an 18-month Skin Cancer Prevention Grant Programme.

This grant programme is intended to support the delivery of an outcomes-based accountability approach to reduce the incidence of skin cancer and deaths from it among people in Northern Ireland.

The work of the grant programme is closely aligned to the Skin Cancer Prevention Strategy (SCPS) objectives, including recommendations emerging from the SCPS Review.

The grant opened on Friday 15 May and will close at 12noon on Friday 5 June.

Please download the grant application form and guidance notes below.

We look forward to receiving your completed grant application, in advance of the closing date.

Closing date
