

Heart conditions

Find information about heart conditions, looking after your heart health and where to get advice and support in Northern Ireland.

Who is this page for?

This page is for people living with a heart condition, anyone concerned about their heart health, and their families and carers.

About heart conditions

Heart conditions include coronary heart disease, angina, heart attack, heart failure and heart rhythm problems.

nidirect provides information about symptoms, diagnosis, treatment and living with heart conditions.
