

3+ Review

Dear Parent

All children in pre-school are being offered a health review by the health visitor who visits the school.

This is a significant time in your child's life. It is important that your child learns to be confident, trusting, curious and able to develop relationships and learn.

Soon you and your child will be invited to a meeting with the health visitor to discuss your child's development.

It's really important that your child enjoys learning. This meeting will provide you with an opportunity to discuss your child's social and emotional development. The more you know about your child's health and development the easier it is for you to help them.

If your child is already getting support from various health and education services we would still encourage them to be involved in the 3+ Review.

Your pre-school principal/leader will provide information on how to book an appointment for the 3+ Review with the health visitor. If you require an interpreter please let us know as this needs to be booked in advance.

- This will be held in your pre-school /nursery.
- Please bring your child's red book (PCHR).

The Early Intervention Transformation Programme (EITP) is a Northern Ireland Executive / Atlantic Philanthropies Delivering Social Change Signature Programme, funded jointly by the Delivering Social Change fund, DoH, DE, DoJ, DfC, DfE and The Atlantic Philanthropies.

EITP aims to improve outcomes for children and young people across Northern Ireland through embedding early intervention approaches.
